

*You're in the game but looking for advancement...
 You've thought about becoming a basketball official and need a place to get started...
 Look no farther, This referee camp is for you!
 Mr. Dale R. Kelley and 2010's New Sun Belt Conference Coordinator, Mike Wood, Invites you.....*

**VETERAN OFFICIAL &
 COORDINATOR
 DALE R. KELLEY**

A seasoned veteran of basketball on-court officiating, Kelley has been a Coordinator of Officials since 1985. As an on-court official, Kelley worked 14 years in the Southeastern Conference, worked in nine consecutive NCAA Tournaments, and was selected at three NCAA Final Four competitions.

This is your opportunity to learn from some of the world's most experienced officials. You'll get critique and counseled from unbiased experts who can help guide you to the next level. In the course of working 3-man games you will learn game control, preventive officiating, and individual problem-solving techniques.

Through lectures and open discussion groups some of the best officials will share with you their own experiences and officiating lessons learned.

Each referee should bring an adequate supply of equipment including black and white striped shirts, black pants, (shorts are acceptable), black referee shoes, whistles, etc.

All campers will officiate competitive games and

must be in adequate physical condition to work several games per day.

- Do you have questions about rules or techniques?
- Did you have a situation during a game that you would like to know if you handled correctly?
- Are you unsure about advancement opportunities?

Wanting to learn from the best?
